

## **Marie Latulippe**

Senior Scientific Program Manager

Marie Latulippe, MS RD serves as a Senior Scientific Program Manager for the North American branch of the International Life Sciences Institute (ILSI) in Washington, DC, a nonprofit whose mission is to improve public health and wellbeing.

In her role at ILSI North America, Marie is responsible for managing projects of nutrition-related committees, including Carbohydrates, Lipids, Flavonoids, Early Nutrition, Fortification, and Low-Calorie Sweeteners.

Prior to joining ILSI North America, Marie evaluated the safety of food ingredients and pharmaceuticals with the ENVIRON International Corporation and worked as a Clinical Nutritionist at the University of Wisconsin Hospital.

Originally from Pittsburgh, PA, Marie obtained a B.S. in Biology from Allegheny College. After spending one year with AmeriCorps in Los Angeles, Ms. Latulippe attended Penn State University and received an MS in Nutrition Science. From there, Marie completed a dietetic internship at the University of Wisconsin Hospital and Clinics.

Marie is a member of the American Dietetic Association and The Institute of Food Technologists.
