

Pauline Rosen

Scientific Program Assistant

Pauline Rosen serves as a Scientific Program Assistant for the North American branch of the International Life Sciences Institute (ILSI) in Washington, DC, a nonprofit whose mission is to improve public health and wellbeing.

In her role at ILSI North America, Pauline is responsible for supporting Alison Kretser and Heather Steele, and the committees they manage.

Prior to joining ILSI North America, Pauline worked for the National Center for Food and Agricultural Policy in Washington, DC.

Originally from New York City, Pauline obtained a BA in English at Boston University.
